## NEWS ABOUT ST. CLOUD METHODISTS.

Rev. G. W. Brown and wife, and Rev. N. W. Beauchamp and wife and Rev. H. H. Bowen attended the Annual Conference held in Jacksonville last week. It was a very profitable session. They returned home on Tuesday. Rev. Beauchamp was Lay Delegate to the Lay Electoral Conference.

The services Sunday were well attended and highly appreciated. The Rev. McKendree DeMotte preached in the morning, and the choir gave a musical service in the evening. The evening services were in charge of Rev. W. Frank Kenney.

The Ladies Aid Society held their regular meeting Tuesday afternoon. Refreshments were served and enjoyed by all. Mrs. Flora Cox has been re-elected President and Mrs. Josephine Woodard as Secretary.

Rev. H. H. Bowen has been transferred from the St. John's River Conference and stationed Pastor of Simpson Methodist Episcopal Church in Birmingham, Alabama, and the Rev. William Landis has been appointed Pastor of Livingston Mission Methodist Church at St. Cloud. Rev. Landis was formerly pastor of Springfield church in Jacksonville, and has been in France in the service of the Y. M. C. A. for two years, and now comes back to take work again. Rev. Landis is a man of marked qualities which fit him in an especial manner for this pastorate. He has a full strong voice, has had a legal training and practice, is a preacher of marked ability and strength, and a man in every way fitted for us here, and we are very glad to welcome him to this pastorate and church and city, and we predict for him a marvelous work in this field.

Next Sunday Rev. Bowen will fill the pulpit for the last time. The morning service will be in the nature of a "Victory Show" over the National Prohibition amendment. All come and get into the rejoicing. The regular services in the evening. All are invited.

At the Sunday School Board meeting last Tuesday evening the officers and teachers who have been doing the work of the Sunday school for the past few years were re-elected, except Mr. W. J. McCormick resigned as Assistant Superintendent and Mrs. Flora Cox was elected to fill that place. Also the lack of the debt liquidated to us

by the bank failure was paid, and we have again caught up with our accounts.

**ELSIE P. McELROY AUXILIARY**  
The Elsie P. McElroy Auxiliary of the Army and Navy Union met at the hotel meeting place last night. After the regular order of business, the following new members were mustered in: Mrs. Washburn, Mrs. Slater, Mrs. Elliott. ### ST. LUKE'S MISSION

The Holiday Season has been an unusually busy one for St. Luke's Mission. The special services for this part of our church's year, have all been well attended.

The benefit entertainment for us given by Mrs. Wren McGuire of Atlanta, on Dec. 30th, had passed unnoticed by the press, was a gem among those given this winter; nothing more artistic or intellectual has been given. We hope to have Mrs. McGuire next season in an entire new program when we know a full house will greet her.

The event of the year, perhaps, was our annual Epiphany Supper, given to our visiting tourists on the evening of January 6th. Forty-eight guests were seated by place cards at one table in the form of a Greek cross. At the crossing of the arms, there was a most beautiful centerpiece of roses and the entire length of the arms artistically lighted by candles. At the east end Judge Hoagland of North Platte, Nebraska, the speaker of the evening, at the South end Rev. Wm. Westover, at the North end Capt. L. D. Frost, and at the West Mr. Wm. J. Mallert. Among the states represented by the guests were New York, Pennsylvania, New Jersey, Ohio, Michigan, California, Nebraska, Minnesota, Indiana and Connecticut.

Supper was served at 6:30, at the close of which a short program was given as follows:

Epiphany Hymn 65.  
Rev. Westover, Gospel for Epiphany.  
Rev. Westover, Gospel for Epiphany.  
St. Matthews 11, 1, read by Judge Hoagland.

Solo "We Three Kings of Orient Are," by Wm. Milner, chorus by Mission choir.

Address Epiphany "The Manifestations of Christ to the Gentiles," by Judge Hoagland.

Solo, "The Birthday of the King," by Mr. Milner.

At the close the large Epiphany cake, measuring thirty-two inches in diameter, surrounded by a wreath of magnolia and green leaves, and lighted by candles was brought in. The cake contained the Epiphany ring and was cut in sixty pieces. The ring fell to the lot of Mr. Wm. Milner, who has recently come to us from Oakland, California. Mr. Milner took the surprise most gracefully, and promised the cake for next year.

It would be impossible to do justice to the remarks of Judge Hoagland in this brief space. Being a staunch churchman, his subject was handled in an appropriate and able manner. The meaning of Epiphany to the church is "The Christ Love for All Mankind." The Judge gave in a very forceful and touching manner the story of "The Good Samaritan." The address seemed all too short, and was listened to with wrapt attention. A half hour of sociability followed, when the good nights were said.

The following committees had the affair in charge:  
Committee on Arrangements—Mrs. Frost, Westover, Norris and Sims.  
Table Committee—Mrs. Mary Reynolds, Mrs. Gardiner, Mrs. Ellen Baker and Mrs. Potter.

Invitation Committee—Mrs. William Rush and Miss Anna Hasher.  
Reception Committee—L. D. Frost, Mr. Gardiner, Rev. Westover and Mrs. Knapp.

Program Committee—Mrs. McLain, Miss Harris, Mr. Milner.  
Seating Guests—Mrs. L. L. Lucas and Mr. Mallert.

Serving Committee—Mrs. Lucas, Miss Wainright, Katherine Farr, Cleo Brooks.  
Carterer—Mrs. Ruth Gilbert.

## The Successful Farmer Raises Bigger Crops

and cuts down costs by investment in labor-saving machinery.

Good prices for the farmers' crops encourage new investment, more production and greater prosperity.

But the success of agriculture depends on the growth of railroads—the modern beasts of burden that haul the crops to the world's markets.

The railroads—like the farms—increase their output and cut down unit costs by the constant investment of new capital.

With fair prices for the work they do, the railroads are able to attract new capital for expanding their facilities.

Rates high enough to yield a fair return will insure railroad growth, and prevent costly traffic congestion, which invariably results in poorer service at higher cost.

National wealth can increase only as our railroads grow.

Poor railroad service is dear at any price. No growing country can long pay the price of inadequate transportation facilities.

New Elixir, Called Aspirinal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter If Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspirinal, the two minute cold and cough remedy, authoritatively guaranteed by the laboratories tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspirinal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at once and wait for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't let his half for all druggists have a right to expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspirinal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—(Adv.)

### A REAL SUCCESS

A good audience thoroughly enjoyed the Viopticon Lecture given in the G. A. R. Hall last Friday evening, as a school benefit.

The lecturer, as the beautiful pictures were thrown in quick succession on the screen, explained each of the many so-called, in a few apt words and the Holy Land as it is today and the Life of Christ, were made very vivid and interestingly helpful and uplifting to the audience. The lecture was a financial success too.

**LETTERS TO THE EDITOR**

January 8, 1920

To the Editor St. Cloud Tribune:

Enclosed find two dollars to cover for one year's subscription to the Tribune. I am among the first subscribers to your valuable paper and I would feel lost without its weekly visits. I am also among the first to invest in St. Cloud property, being the owner of a lot on New York avenue and a five acre tract two miles from the city which I purchased in 1909 from the Seminole Land and Investment Company.

I spent a portion of the winter of 1911 in Florida and the greater part of that time in St. Cloud, where I met and formed the acquaintance of some of the best people I ever knew. It seemed to me at that time that the people there lived more for the happiness and comfort of others than for themselves. I have some very pleasant personal recollections of my stay there.

Since then, however, I am very sorry to learn from the reports in the Tribune, that the spirit of selfishness has been somewhat engendered and that inharmonious and discord is the result. Too bad! Too bad! I am pleased to

note, however, in the last few issues of your paper that the spirit of amicability and inharmonious has to an extent been removed and that peace and harmony has been restored. May it ever continue.

I am certainly glad to learn that an association of the citizens has been organized for the purpose of promoting the social, religious and business interests of the city and entire community. I congratulate you in the progress already made in the upbuild of the Wonder City, and trust the same will continue until the object of the St. Cloud Ten Thousand Club will be attained and then some.

Sincerely,  
T. B. GALBRAITH

**CHARGED WITH POISONING WIFE**

W. D. McNulty, colored, was arrested and placed in jail at Kissimmee Tuesday after a coroner's inquest over the body of his wife resulted in finding that her death came Monday evening after taking a dose of white powder administered by the husband. A test was made by physicians before the jury by administering a few grains to a cat, which died within two minutes. The husband claimed that his wife became ill during the night and that he gave her a dose of quinine. The bottle is said to have been labeled "Quinine" and "W. D. McNulty" and an examination of the stomach will be made under the circumstances, as it is said the man charged with causing his wife's death identified the bottle as being the one from which he gave his wife the drug.

He is being held on the charge to await the action of the grand jury.

**EIGHTH ANNUAL CONVENTION OF CATTLEMEN**

Montgomery, the Capital City of Alabama, is making large preparations for the Eighth Annual Convention of the Southern Cattlemen's Association which meets in that place January 27-30 inclusive.

This association was organized in Montgomery eight years ago and has become one of the most powerful business organizations of the South. J. D. Eldridge of Gregory, Arkansas, is

President, and Dr. R. M. Gow, of Little Rock, is Secretary.

The business meetings of the convention will be held in the big public auditorium and cattle sales will be conducted at the Union Stock Yards each afternoon. The Gay-Tenue Hotel will be official headquarters of the convention.

The visitors' delegates to the convention will be provided as much amusement as the business of the occasion will permit. Visits to modern stock farms, a dinner, auto rides, a special vaudeville performance and social attentions for the women visitors have been arranged.

One of the main features of the convention will be the large number of bankers here for the occasion. It is understood that Cattle Loans by the Banks will be one of the subjects of discussion on the program.

It is suggested that hotel reservations be made as early as possible through the chairman of the Visitor's Accommodation Committee, Mr. Leopold Strauss.

\*\*\* "Soissons and Chateau Thierry, St. Mihiel and the Soudan—and on to the Rhine—and the Argonne Forest and the valley of the Meuse—strange names in the mouth of America, those foreign battlefields where fought our boys. But we have before us today a group of men who recall other battlefields, from Manassas to Appomattox down through Virginia; Antietam and Gettysburg in Pennsylvania; Pittsburg Landing and Shiloh in Western Tennessee, and Vicksburg down on the Mississippi River—and Chattanooga and Missionary Ridge and the bloody heights of Lookout Mountain—down upon them—with Chickamauga not far away; and Richmond—and a hundred other sanguinary places in between. We have with us today the men who fought over the battlefields that are as familiar to us as any words in the language—battlefields that have become so familiar in fact that we have all but forgotten the heroic work performed by the 'boys of 1861-65.' \*\*\*\*\*

"Not for a moment would we forget what our boys have so lately passed thru; not for a second would we minimize the sacrifices and the sufferings of those who crossed the seas to fight for us but yesterday. But—lest we forget—let us gaze upon these, our boys of half a century ago, and recall the deeds of daring they performed, the sacrifices which they made, the glorious nation they preserved that we might rear our sons to cross the ocean in our defense."

Upon suggestions from Dr. Ralph N. Greene, state health officer, in reply to a question from Mr. Leard as to how conditions could be bettered, disinfectants will be used regularly on all seat cushions and in toilets. Cars will be swept with wet sawdust every 100 miles. Porters will be instructed to watch for passengers spitting on the floor and immediately to spray the sputum with disinfectant.

Dr. Greene and Mr. Leard are urging the public to insist on protecting itself and to cooperate in the sanitary measures to be inaugurated. Mr. Leard declares the railroad authorities will be unable to accomplish the desired results in endeavoring to prevent the spread of contagious and infectious diseases on common carriers if the public does not appreciate its individual responsibility.

Pepto-Mangan Sold in Liquid and Tablet Form

Why should any girl or young woman continue to have a pale, sallow complexion and a listless, down-trodden system devoid of energy and vitality?

Such young folks are continually unhappy and dejected simply because they accept such a condition as their misfortune, and envy their friends who are in the bloom of health and enjoying all the good things of life.

If such young women would realize that their anemic condition is probably due to thin, impoverished blood, which could easily be enriched by Gude's Pepto-Mangan, how much happier and attractive they would be.

Gude's Pepto-Mangan is a safe, beneficial and pleasant tonic for anyone suffering from any ailment caused by poor blood. If taken regularly for a few weeks it will enrich the blood with thousands of the healthy red blood cells that are needed to carry nourishment to every part of the body.

Pepto-Mangan is sold in both liquid and tablet form. Both contain the same medicinal ingredients.

Buy Pepto-Mangan at your druggist's. Be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan.

## KANSAS ASSOCIATION HELD ITS FIRST MEETING

The Kansas Association held its first meeting on Tuesday afternoon at the old G. A. R. hall, and at the same time served a dinner to those who were fortunate enough to be natives or one-time residents of that great old Jayhawker state. The meal was indeed sumptuous, and more than palatable, for evidences of distended "bosoms" were in evidence on every hand. Sunflowers were the emblems worn as the badge of honor, deft fingers having evolved a perfect replica of that gorgeous specimen of the genus flora from bits of silk. After the meal a very pleasing, though impromptu, little program was rendered, Mrs. Minnie Barber taking charge and. This was the very first meeting of this new organization, and of course, the program rendered must not be accepted as their

standard, as compared with what is to take place at future meetings. This is a real live bunch, full of Kansas ozone, whirlwind and cyclones, and there is no telling how they will pounce upon us next time.

Future meetings will take place on the first Tuesday of every month, in Oak Grove park, weather permitting. Otherwise they will gather in the old G. A. R. hall.

## OHIO ASSOCIATION

The ladies of the Ohio Association served a sumptuous dinner in the old G. A. R. hall at the noon hour to a large number of buckeye people. After dinner, the association met in the upper hall, where the meeting was called to order by the president, Rev. G. W. Brown.

After singing "America" Mr. Cooley offered prayer.

Song, "A Thousand Years." The minutes of the previous meeting were read by the secretary and approved as read.

The collection amounted to \$8.67.

A rising vote of thanks was tendered the ladies of the association for having served a fine dinner for the people from Ohio.

Mrs. Greenwalt had charge of the splendid program, as follows:

A temperance recitation by Mae Holden.

An interesting address was made by Rev. Stewart, saying that Adams County, Ohio, was not only noted for being his birthplace, nor for men stooping so low as to sell their votes, but noted for such people who had backbone enough to prosecute such men who would sell their votes.

Instrumental music by Mrs. Barber.

Mrs. E. E. Scrantom read a very interesting paper of their trip by auto from Alliance, Ohio, to Alabama and from there by rail to St. Cloud, stopping at many places of interest as they came through Kentucky and Tennessee.

Song by the audience, "Battle Cry of Freedom."

Reading by Mrs. Mechem.

Song by Mr. Scott.

Mr. Milnard of Alliance gave some reminiscences of the Civil war at Nashville and Murfreesboro, Tenn.

Mr. Winder of Linaville read an interesting paper contrasting shoveling snow in Ohio and the advantages, the pleasures and enjoyments of Sunny Florida.

Song, "The Star Spangled Banner." Benediction by Rev. G. W. Brown. J. W. Pickens, Sec.

The company owns Florida lands near Homosassa, Florida, and their general offices are at St. Cloud.

## NEW YORK ASSOCIATION

The New York Association met in the G. A. R. Post room, on Wednesday the 7th inst., at 2 p.m. the number present being 65. After the singing of America, and prayer by Chaplain Lynch, the secretary read the record of the previous meeting which was approved. An invitation was given to join the society, when the following responded: Mr. and Mrs. H. A. Conklin of Wading River, Long Island, N. Y., Mr. and Mrs. C. W. Graham of Delhi, N. Y., Mr. L. D. ### MARY REIFSCHNEIDER

Mrs. Mary Reifschneider was born in the state of Delaware, Nov. 23, 1849, and died suddenly at the home of her son in Alta Loma, Texas, Dec. 28th, 1913, at the age of 64 years, one month and 15 days.

When she was yet but a child her parents moved to the state of Illinois, and there she grew to womanhood and was married to Mr. George Reifschneider Jan. 27, 1869, and they lived together 51 years and six months. Mrs. Reifschneider died here in St. Cloud July 17, 1917.

Seven children were born to them, five of whom are boys. All seven survive their mother. They are: Mr. G. P. Reifschneider, Mr. J. E. Reifschneider, Mrs. Anna Overall, Mr. C. P. Reifschneider, Mr. J. W. Reifschneider, Mr. E. L. Reifschneider and Mrs. Lillian Cargyle.

Soon after their marriage they moved to the state of Iowa, where they lived for 19 years. Then they moved to the state of Texas in 1887 and thence they came to St. Cloud in 1909, and here they resided until death claimed the husband. Mrs. Reifschneider remained here for more than two years after the death of her husband, then went to Tampa to live with a son there, and after a few months went to Alta Loma, Texas, to live with a son there, and there she died.

Sister Reifschneider was converted in early girlhood and has been a faithful and useful member of the church all her life. She first united with the Methodist Episcopal church, and after a while moved to a community where there was no Methodist church, and as she united with the Evangelical church which was there. Then afterwards they again moved into a community where there was a Methodist church and she again united with that church and was a member of this church at the time of her death.

She died suddenly of heart failure. She went to church in the morning of the day of her death, and in the evening wrote letters to her children. She went to bed at 9:30 in the evening, in her usual health. At 11 o'clock she went to her room, and she was very ill. She told him she was going to her God. Her last words were "Dear Lord take me home."

Sister Reifschneider was known among us here as one of the faithful members and workers of this church. She was always in her place in the congregation and in the work of the church. Her sweet Christian spirit will long remain a precious heritage in our memories.

Out of the goodness of her heart she graciously remembered many of her old friends here with Christmas cards. She had enjoyed the great religious festival of the Christmas tide, and was about to launch out upon the new year when she was suddenly ushered into the presence of a new world, and into the precious reunion with the loved ones gone before. Such a life and such a most precious heritage in our memories.

The funeral services were held at the St. Cloud Mission Methodist Episcopal church Sunday, Jan. 1, 1920, at 2:30 o'clock p. m. A very large congregation of sorrowing friends attended the services which were in charge of the pastor, Rev. H. H. Bowen. Three of her sons and two of her wives, and one grandchild and many very near friends were present to pay their last fond respects to their departed friend and loved one.

The previous remains were laid to rest in Mount Peace cemetery beside her husband.

The burial arrangements in St. Cloud were handled by Eisenstein Bros.

### MATTHIAS GERWIG

Matthias Gerwig died in his home in St. Cloud at 8 o'clock a. m. Sunday, January 11th, 1920.

As it came time to go to church, he went to be with the church triumphant, which is without fault, before the throne of God.

He had lived to the great age of 87 years and six months.

His has been a most useful life. He raised a family of children and gave them to the country. He has served his Lord for a life time. His last sickness was one of terrible suffering. He realized that his time had come. His bedside was a place of glory. He left no uncertain testimony. He said to his pastor just a week before he died: "Brother Bowen, there is not a speck between me and my heavenly home. I'm going home to die no more. If this be death, then soon I'll be from every pain and sorrow free; all is well, all is well." He lived and died in the rich consciousness of the presence of God in his heart.

After he came out of the service of his country he united with the United Brethren church, and was a member of that church until he came to St. Cloud, when he united with the Methodist Episcopal church. He was ordained a local elder in the United Brethren church many years ago. His presence for many years has been a local preacher in that church.

The funeral services were held from the G. A. R. hall Monday, Jan. 5, 1920, at 2:30 p. m., and were in charge of Rev. H. H. Bowen of the Livingston Mission Methodist Episcopal church. The body of this remarkable man was tenderly laid to rest in Mt. Peace cemetery at St. Cloud, Florida, there to await the summons of the resurrection.

Eisenstein Bros. prepared the body and handled the burial at the cemetery.

### THE MID-WINTER SUB-TROPICAL FAIR THE COMING BIGGEST THING

Our main subject for today is the coming Sub-Tropical Mid-Winter Fair. It is a good subject and a timely one, for there is no one thing in this immediate section that means so much as this fair, and now that most of the county fairs, and the Jacksonville State Fair are over, the thing uppermost in the minds of those who believe in these exhibitions is the fair that draws its exhibits from the five counties of Orange, Seminole, Volusia, Lake and Garcelia, and attracts attention all over the state and secures support from the four corners of the earth, for whatever may be said of other fairs, it is an incontrovertible fact that this fair, held in Orlando, Florida, from Feb. 10th to 14th, 1920, probably brings more visitors in the state to one place than any other. It is held at the right time to influence this class of visitors and all who are in any way interested in Florida enterprise and products are always sure to be on the ground.

For ten successive years, without regard to drawbacks of weather or war, this fair has held uniformly successful exhibitions and while it has paid no dividends to the stockholders, it has never gone by default and the officers and stockholders derive pleasurable compensation in the good they feel sure they are doing the country and people.

The coming fair will be in no way inferior to those formerly held and in some respects it is expected it will surpass them, for the interest in exhibitions of this character is greatly increasing among intelligent and well informed people. The poultry department will exceed all previous records. The exhibits from surrounding counties promise to surpass those of recent years and it is the purpose of

the management to put up the very greatest citrus exhibit ever shown in the state, since this is one of the recognized greatest orange centers. Along all other lines the outlook is most promising and there are now fifteen race horses wintering in the stables on the grounds, preparing for the finest races ever had while the directors have just built a line of railroad into the grounds where the Johnny Jones shows are now wintering, with the promise of the greatest aggregation of shows ever exhibiting in Florida.

All this, including plenty of firing in the air, daylight and night fireworks, music, and many other attractions, are promised, well worth the attendance of people at either extremity of the state, over the good roads centering at Orlando or via railroad.

The management bids the press in extending a most cordial invitation to everybody everywhere to get ready and spend this February celebration in Orlando.

### WORLD NEWS NOTES

Dancing to the Tune of Sugar  
Sugar! Sugar! Sugar! Precious grains of "sugar" are being danced to the tune of "sugar" in a mighty ocean of you, but you cost to beat the band.

That's a time that will be heard in every American household for many months to come, but it will not be a popular one because it means that every citizen will have to dance to the music. And why? Nobody knows—at least no one in Washington will admit that they know, although everybody seems to think that the price of sugar has been made somewhere. The law controlling the sugar situation in the United States went into effect on the last day of 1919. Immediately afterwards government officials at the Capital announced a speedy drop in prices, but quickly thereafter and right in the stores of Washington, the retail price suddenly increased from 13 to 21 cents; then came the prediction by the board that during 1920 the price over the entire country will not be less than 20 cents. It means that the people of the United States will have to cough up about a million dollars a year more for sugar than they have ever paid before. During the last five years of sugar annually, there are 110,000,000 each person has consumed about 50 pounds over the "average" price of 11 cents in 1917. Pretty costly dance music when the price is priced at a million. Had the advice of the sugar board, the majority of members, been followed last August, the entire Cuban output for 1920 could have been bought for 64 cents a pound. After refining and transporting and allowing everyone a fair profit, sugar could have been sold today for 12 cents a pound.

Indiana Wants the Lincoln Statue  
Reposing somewhere in a storeroom, almost in the very shadow of the Capitol dome, boxed and wrapped to prevent dirt and dust accumulating upon it, is the famous statue of Lincoln, erected shortly after the close of the Civil war, and which was recently removed from in front of the District Court building in Washington because its outlines were not in harmony with the newly constructed court building. No decision by officials could be reached as to a proper place to re-erect it, but now Indiana comes to the rescue and in a stirring telegram from its governor pleads that the shaft be shipped to Spencer county of that state, there to rest near the grave of Lincoln's mother, Nancy Hanks, that mother and son may be represented there together.

**L. L. MITCHELL RELIEF CORP'S**

The L. L. Mitchell Relief Corps No. 12, met on January 8th, at 2 p.m., with the President, Mrs. Julia B. French, presiding. After the regular opening exercises, the officers were charged, three of them being absent, their places were filled. Three women were admitted by transfer and Mrs. Lillian A. Leavitt and Mrs. Mary A. Russ were initiated.

Interruption for paying dues and greeting new members was next in order. The guard announced a Comrade wishing to be admitted. He proved to be Ex-Governor Samuel Van Sant of St. Paul, Minn., and Past Department Commander of that state. He was admitted and escorted by the conductor and color bearer to the President's desk, who introduced him to the Corps. He then made a talk which was appreciated very much by all.

Mr. S. W. Porter was admitted and proved to be a caller in the interest of the Ten Thousand Club. His wish was unanimously voted by the Corps.

**SOUTH FLORIDA FAIR**

FEBRUARY 15 to 21

Tampa, Fla.—Fifteen counties are now enrolled among the exhibitors at the forthcoming South Florida fair, the dates of which are February 16 to 21, inclusive, and still others have signified the intention of entering. The latest entry is Bay, in northwest Florida, progressive citizens of which intend to take advantage of the advertising opportunities given through holding the annual fair during the height of the tourist season. Because of the number of county and individual exhibitors additional building has become necessary.

Mrs. G. B. Reynolds, who is in charge of the women's department, states that the women of Florida will be represented by exhibits in greater variety and volume than ever before. Women desirous of exhibiting their handiwork are requested to communicate with Mrs. Reynolds at her home in Hyde Park, Tampa.

In honor of the fair, the railroads and steamer lines will offer the usual low round trip rates to Tampa, with stop-over privileges at other points, thus assuring an unusual number of homeseekers for the section.

The fair directors have been able to secure free amusement acts of an even higher class than they first anticipated some of the best acts in the country having been offered for their consideration.

**NEW ENGLAND SOCIETY**

The New England Society met in upper G. A. R. Hall, on Tuesday afternoon, January 13th. The meeting opened by singing America, followed with prayer by Chaplain Mrs. Currier. The minutes of the previous meeting were read by the secretary, and Mr. Adams read a letter from former president, Mr. Riggs, of Winter Park, Fla. The treasurer's report was read by Miss Epple. A committee of six members was appointed to arrange for a picnic in February, the committee being composed of Mr. Currier, Mr. Abbott, Mrs. Potter, Mr. McGrath, Mr. Nason and Mrs. Beloss. On the call of states 10 arose from Maine, New Hampshire 10, Vermont 25, Massachusetts 24, Rhode Island 4, Connecticut 8, Other States 43, making a total of 124 present. Mr. McGrath of Rosindale, Mass., one of the founders of this society, made a short talk on the history of our society.

The following program was in charge of Mr. Wentworth:

Violin Solo by Mr. Stevenson, accompanied by Mrs. Pope. Encored several times.

Reading, "Just a Few Little Smiles" by Mrs. Julia French.

fore our Treasury needs to be further drawn upon for new loans.

"Aside from some secondary measures by our Government, the problem is one of ratification of peace and ordinary business processes, and not one of increasing our burden of taxation. Our taxes are now 600 per cent over pre-war rates. We simply cannot increase this burden. Rather, the problem is one of early reduction."

These nations, Mr. Hoover went on to say, should do their full part in rehabilitating Europe and not rely on America. In summarizing he said that it was time for Europe to carry its own burdens. He pointed out that 70,000,000 people of prosperous nations who had not suffered in the war should aid materially in European relief. The solution of the bread question should be undertaken by our Government. Mr. Hoover said, in order to protect Europe "from the infection of anarchy and chaos." Poland should be particularly helped, Mr. Hoover said, because it "is the sole shield of Europe from Bolshevik invasion."

### Sixty-Three More Reds Caught In New York

On January 6th, Department of Justice agents raided the offices of "New York City. Fifteen Communists were taken as they were about to open a meeting. In addition a list of 1,000 Communists was obtained with their special qualifications for agitation duly specified.

In an interview delivered Tuesday, January 6th, Senator Lusk, Chairman of the Committee for Investigating anarchy in this country, made a statement in which he declared that the activities of the Reds had only been scratched so far by the Federal authorities. In this part of his statement the Senator said:

"More than 20,000 alien enemies in the Communist Party of New York State alone are openly organized for the overthrow of the Government by force and violence under the direction of Bolshevik leaders in Russia. In addition to these there are the Communist Labor Party and other revolutionary organizations working actively to accomplish the same ends, as well as many other bodies which agree with their principles and encourage their activities without participating openly in them.

"The arrests already made in this

State on the charge of criminal anarchy and for deportation hardly scratch the surface of the situation. These are revolutionary organizations throughout all parts of the State. These organizations have been organized to reach such proportions that, in addition, the only way that they can be destroyed is for the loyal citizens in each community to perfect such organization as is necessary and co-operate with the Federal State and local authorities in uncovering and prosecuting these traitors on much the same lines as they organized and worked during the war to uncover and apprehend traitors and gave their support to the Government in that crisis."

### Two States Ratify Suffrage Amendment

The Federal Woman Suffrage amendment was ratified on January 6th by the House and Senate of Rhode Island. The House passed the ratification resolution by a vote of 80 to 3, and a few minutes later was adopted unanimously by the Senate. The Kentucky Legislature also ratified the Woman Suffrage amendment, the House of Representatives by a vote of 72 to 25 and the Senate by a vote of 30 to 8.

With Rhode Island and Kentucky added, the number of States which have ratified the Suffrage Amendment is now twenty-four.

### Senator Harding Denounces American Born Reds

At a dinner held in New York last night by the Ohio Society two favorite sons, President Nicholas Murray Butler of New York and Senator Warren G. Harding of Ohio, were the principal speakers while a message was read from General Wood said that the work of suppressing the "Red element" at Gary, made it impossible for him to attend the dinner.

In the course of his speech Senator Harding not only denounced the foreign agitator but spoke also of the American born revolutionists saying activities were more to be deplored than those of the foreigners. In part of his speech the Senator said:

"But we must not accept the overwrought impression that the assault on stable American Government is chargeable wholly and mainly to those of foreign birth who have not sworn American allegiance. The worst disloyalists and most effective conspirators wear the garb of full-fledged American citizenship, and many of them inherited American opportunity at their birth, and turned liberty into license. The ignorant foreigner is more a victim than a conspirator, because he has heard the gospel of revolution when no one preached the blessing of orderly government and the rewards of American opportunity."

### Twelve Indicted For Selling Wood Alcohol

The Federal Grand Jury, on January 6th, indicted twelve men on charges of violating the War-time Prohibition law. Eleven are under arrest, and the arrest of the twelfth is expected soon. The indictments charged the men with entering into a conspiracy to sell methyl alcohol for beverage purposes.
